

FIRM'S CAPABILITY FORM INTERNAL PROJECTION

Company & Administrative information	Firm Name	M/s Axpert Vision (Pvt) Ltd	
	Address	Karachi, Singh, Pakistan	
	Owner / CEO	Mr. Sohail Ayub	
	Contact person		
	Contact Details	Email:	ceo@axpervision.com
		Phone:	+922135070061-63
		Mobile:	+92 (0) 300.9247888
		Fax:	+92-21-35070065
Website	www.axpervision.com		
Business Profile	Specialties	Defence & Aerospace Engineering Solutions	
		Ruggedization of COTS Hardware	
		EMI/ EMC Shielding & NVIS Solutions	
		Rugged Command & Control Systems	
		Rugged UAV Ground Control Systems	
		Shock & Vibration Isolation	
		Military-Grade Enclosures & Consoles	
	Products / Services	Rugged Mission Consoles & Operator Workstation / Console	
		Command & Control Centers	
		Rugged Computers, Displays & Peripherals	
		UAV Ground Control Stations	
		EMI / EMC Shielding Solutions	
		Shock & Vibration Isolation System	
		Custom Military Enclosures & Shelters	
		Flight Cases & Rugged Transport Solutions	
		Engineering Design (CAD / CAE / CAM)	
		System Integration & prototyping	
	Specific Standards of QC / QA	ISO-based Quality Management Practices	
		Military & Industrial Engineering Standards	
Internal QA/ QC Procedures with Design Validation			

Business Profile	National International Certification available / offered	Compliance with MIL-STD requirements (as applicable)
		ISO-aligned Quality & Manufacturing Processes
		Customer-specific Decese & Industrial Standards
	Production Capacity	Low to Medium Volume Production
		High-Mix/ Custom Engineering Projects
		Prototype to Batch Manufacturing Capability
Key Customers		Defecse & Armed Forces Organizations
		Government Institutions
		Aerospace & Technology Clients
		International Defense Partners
Major Facilities		Engineering Design & Development Facility
		Mechanical Fabrication & Assembly
		EMI / EMC Shielding Integration
		System Integration & Testing Area
		Prototyping & Custom Manufacturing
Remarks		Full Customization as per Client Specifications
		Capability to Develop Variants & Upgrades
		Indigenous Design & Reverse Engineering
		Raeid Prototyping & Design optimization
		Export-Iriented Defense & Industrial Solutions
